

**Non-mandated Services  
Ad hoc committee  
Appointments announced**

In an effort to assess funding viability and alternatives for important but non funded activities of county government, the Isabella County Board of Commissioners has established three ad hoc committees to evaluate the County's Zoning and inspections department, Animal Control and the Parks and Recreation Program. These committees will report their findings no later than August 1, 2011.

The following individuals have agreed to serve on these committees:
