regarding this event.

In effort to reduce our mailing expenses, the Isabella County MSU Extension Office is asking for your help! We would like to start sending as many of our office newsletters by email as possible. If you are able, please send your email address to msue37@msu.edu with Newsletter email address in the Subject area. Thank you!

Farm Service Agency Important Dates to Remember

June 1, 2010 is the deadline to enroll in the 2010 ACRE and DCP programs. Late file applications will not be accepted.

Call the Farm Service Agency at 989-7729153 ext. 2 for information.

Funds Available for Energy Efficiency Improvement on the Farm

USDA Rural Development has grant and loan funds available through the Rural Energy for America Program (REAP). The deadline to apply is June 30, 2010. Some project ideas are replacing corn dryers, retrofitting lighting, insulation, farm wind turbines, biofuels, manure digesters, and others...use your creativity. For more information and how to apply, visit <http://www.rurdev.usda.gov/rbs/busp/9006grant.htm>.

"Accommodations for persons with disabilities may be requested by contacting the MSU Extension office at (989) 772-0911 ext. 302 at least 5 days prior to the scheduled event to ensure sufficient time to make arrangements. Requests received after this time will be met when possible"
