**RE:** Animal Control new truck purchase

---

**BACKGROUND**

The Animal Control Officer is in need of a new vehicle for use in mobile animal containment and transport. The existing truck, which this truck will replace, has had numerous issues and left the officer stranded with the truck towed for repairs. Access to muddy roads in winter and rainy season is limited with this drive system. The truck is unreliable for animal control.

**FINANCIAL IMPACT**

Cost:\$21,166.

**OTHER CONSIDERATIONS**

Cost is within 3% or less of MIdeal pricing

**RECOMMENDATIONS**

Move to approve purchase from Krapohl Ford
