

May 7, 2018

I regret to inform you that I need to resign from my position on the Human Rights Committee. I feel that my personal family obligations require my focus at this time. I've enjoyed being a part of the Isabella County Human Rights Committee and believe strongly in the good work the committee is doing to make our community more inclusive for all citizens.

Thank you for the opportunity to serve the community through the HRC and I wish the committee good luck in your future endeavors.

Sincerely,

A handwritten signature in blue ink that reads "Susan Poindexter". The signature is written in a cursive, flowing style.
