Appeal of FOIA 911 records

In June 2005 I called 911. I am seeking any records of the 911 call. 911 for Isabella county Michigan claims the records are purged every 365 days. Unless this is a new practice, I can prove this to be faults. Or local 911 does not hold these records but the state must still have them. I even seen on cops a special show about 911 and that they keep the records forever on digital recordings, this episode even said Detroit Michigan, vaults in Lansing Michigan. Anyways.

I am also trying to send the chairman of the board of county commissioners a written appeal.

911 evidence is crucial to my one and only felony being removed. You see the 911 recording should go something like this:

dispatcher: 911 what is your emergency.

Me: my name is Brett Matthew Taylor I'm at 1617 East Bellows Street Mount pleasant Michigan 48858. I am a 22 year old male sitting on the front porch there is a 14 and 15 year old females here trying to kiss me trying to sit on my lap. can you send police?

Dispatcher: No.

Me: Why not?

Dispatcher: it's not against the law it just doesn't look good in public you should go inside.

Me: Are you going to send police?

Dispatcher: No.

Me: Thank you...

I proceeded over to my girlfriend's house and she's chased the girls off. two weeks later one of the girls were threatening to have me assaulted, and/or she was going to lie saying that I raped her, if I did not have relationships with her. 2 months later when I broke off the relationship due to her catching an STD. The two girls sisters went to the police. The situation's a little more complex than I've said here but you get the gist.

I'm a mentally handicapped man. I believe I did everything in my power to avoid this, this situation. and have heard that five other men who went to prison for life for these girls said they were raped by them. I can testify that Heather the older of the girls threaten me by saying that she lied about one of these men. She told me that she requested a quarter pound of weed from him in exchange for sex when he refused her stepdad beat her up and made it look like she was raped. The only reason why these girls did not lie saying I raped them, was because the night before I was arrested the younger girl threaten me with these lies, I explained to her if they even said I touch them I would get in trouble. The girls said I touch them, I got a year in county.

I've been out of prison for 7 months now, after doing 10 years. Due to my mental illness and possibly other reasons (poisoning) I had no chance of doing my probation or parole. Needless to say I fear prison. And hope to get the felony removed so I can move on with my life.

If you need more details to help me please request them through the mail or direct phone call which is best. My email's always full.

Sincerely,

Brett Matthew Taylor

RE: APPEAL, for reversal of the  
disclosure denial, of FOIA, by,  
911 Isabella county.

911 seed audio recordings are  
purged after 365 days. I seek any  
and all Records of the 911 call in  
question, I know the digital  
Recordings are kept forever by the  
State. And the word purged does not  
mean ~~destroyed~~. destroyed.

I believe either

1. State employees are covering up  
For the 911 operator at great  
harm to my self, or,
2. They could use some cross training.

Sincerely

Brett Matthew Taylor

Brett Taylor,

I have received your request for an audio copy of the 911 incident listed in your Freedom of Information Act request.

Unfortunately, I must deny your request. Our data retention policy allows for audio recordings to be kept for 365 days from the date/time of the call. The audio recordings that you have requested are more than 14 years old, and the data has been purged.

Because this constitutes a partial denial of the request for information under FOIA, it is your right to do either of the following:

1. Submit to the chairman of the county board of commissioners a written appeal that specifically states the word "appeal" and identifies the reason or reasons for reversal of the disclosure denial; or
2. Seek judicial review of the denial under Section 10 of the FOIA.

Sincerely,

(Complete both sides)

**Records Located on Website**

If the County directly or indirectly administers or maintains an official internet presence, any public records available to the general public on that internet site at the time the request is made are exempt from any labor charges to redact (*separate exempt information from non-exempt information*).

If the FOIA coordinator knows or has reason to know that all or a portion of the requested information is available on its website, the County must notify the Requestor in its written response that all or a portion of the requested information is available on its website. The written response, to the degree practicable in the specific instance, must include a specific webpage address where the requested information is available. On the detailed cost itemization form, the County must separate the requested public records that are available on its website from those that are not available on the website and must inform the requestor of the additional charge to receive copies of the public records that are available on its website.

If the County has included the website address for a record in its written response to the Requestor and the Requestor thereafter stipulates that the public record be provided to him or her in a paper format or other form, including digital media, the County must provide the public records in the specified format (if the County has the technological capability) but may use a fringe benefit multiplier greater than the 50%, not to exceed the actual costs of providing the information in the specified format.

**Request for Copies/Duplication of Records on County Website**

I hereby stipulate that, even if some or all of the records are located on the County website, I am requesting that the County make copies of those records on the website and deliver them to me in the format I have requested above. I understand that some FOIA fees may apply.
