

# Polystyrene Foam Recycling

Also known as “**Styrofoam**”

## Acceptable Items:

### **Foam cups & containers**

(cups do not have to be rinsed but must be empty)

### **Foam egg cartons**

### **Most packaging foam** (molded forms and shapes)

### **Rinsed, single-layer meat trays**

### **Foam food/lunch trays**

(must be either rinsed-off or minimally contaminated— no food remnants)

## How to prepare your polystyrene foam for recycling:

### *Before you arrive...*

Follow the guidelines above for acceptable items and avoid contamination

Break down large foam pieces

Place all items in a clear plastic bag

### *At the recycling center...*

Check in at the front office

Use the small blue shed located by the flag pole to drop-off foam

**(DO NOT)** place foam in any other recycling containers!

## Unacceptable Items:

- **Foam packing peanuts**
- **Flame-retardant material**
- **Construction foam**

*(Ask us for reuse options regarding packing peanuts)*

Polystyrene recycling is for drop-off only. The Recycling Center is located at 4208 E. River Road.

We are not accepting polystyrene at the curb or any other depot location.
