RE: November Revised County Equalization 2010 October Apportionment Report
For the Work Session Agenda of November 16, 2010

BACKGROUND

We are requesting to be on the November 16, 2010 County Board meeting agenda for the purpose of receiving the November Revised County Equalization 2010 October Apportionment Report. The report has been corrected to reflect passage of millage proposal questions presented in the November 2, 2010 election process.

State Tax Commission Bulletin No. 8 of October 13, 2009 states the following:

October apportionment session of the County Board of Commissioners. Board examines certificates, directs spread of taxes in terms of millage rates to be spread on Taxable Valuations. County Equalization Director submits apportionment report to the State Tax Commission. MCL 211.37 and 207.12.

MCL 211.36 (4) & (5) directs the County Board of Commissioners to “...meet and direct or amend...” the rate previously apportioned upon approval in a November election.

ALTERNATIVES

1. Accept the Revised Equalization 2010 October Apportionment Report as presented to County Board on Tuesday, November 16, 2010 to fulfill the requirements of MCL 211.36(5) with the understanding that the requesting authorities fulfill their Truth in Taxation Hearing requirements by November 19, 2010 to permit timely filing of Apportionment to the State Tax Commission.
2. Reject current report until authorities fulfill hearing requirements and then schedule a special meeting before November 30, 2010 to accept the Revised Equalization 2010 October Apportionment Report and then file the required report with the State Tax Commission by the deadline of November 30, 2010. Note the tax notices are usually expected to be prepared and mailed by December 1.
3. Reject any changes to the original report and file required report to the State Tax Commission as it was approved at the October meeting.

FINANCIAL IMPACT

Without the County Board’s authorization the Units or Authorities are not able to levy the tax rates approved in the November 2, 2010 election and subsequently requested to be levied in 2010 by the submission of revised STC form L-4029 Tax Rate Request.

RECOMMENDATIONS

Accept the Revised Equalization 2010 October Apportionment Report as presented to County Board on Tuesday, November 16, 2010 to fulfill the requirements of MCL 211.36(5) with the understanding that the requesting authorities fulfill their Truth in Taxation Hearing requirements by November 19, 2010 to permit timely filing of Apportionment to the State Tax.

THE GENERAL PROPERTY TAX ACT (EXCERPT)
Act 206 of 1893

211.37 County board of commissioners; determination of money for county purposes; apportionment of money, state tax, and indebtedness of county; correction of certificates, statements, papers, records or proceedings; spread of money on assessment rolls; applicability of section.

Sec. 37.

The county board of commissioners, at a session held not later than October 31 in each year, shall ascertain and determine the amount of money to be raised for county purposes, and shall apportion the amount and also the amount of the state tax and indebtedness of the county to the state among the several townships in the county in proportion to the valuation of the taxable real and personal property as determined by the board, or as determined by the state tax commission upon appeal in the manner provided by law for that year, which determination and apportionment shall be entered at large on county records. The board, at a session held not later than October 31 in each year, shall also examine all certificates, statements, papers, and records submitted to it, showing the money to be raised in the several townships for school, highway, drain, township, and other purposes. It shall hear and consider all objections made to raising that money by any taxpayer affected. If it appears to the board that any certificate, statement, paper, or record is not properly certified or is in any way defective, or that any proceeding to authorize the raising of the money has not been had or is in any way imperfect, the board shall verify the same, and if the certificate, statement, paper, record, or proceeding can then be corrected, supplied, or had, the board shall authorize and require the defects or omissions of proceedings to be corrected, supplied, or had. The board may refer any or all the certificates, statements, papers, records, and proceedings to the prosecuting attorney, who shall investigate and without delay report in writing his or her opinion to the board. The board shall direct that the money proposed to be raised for township, school, highway, drain, and all other purposes authorized by law shall be spread upon the assessment roll of the proper townships, wards, and cities. This action and direction shall be entered in full upon the records of the proceedings of the board and shall be final as to the levy and assessment of all the taxes, except if there is a change made in the equalization of any county by the state tax commission upon appeal in the manner provided by law. The direction for spread of taxes shall be expressed in terms of millages to be spread against the taxable values of properties and shall not direct the raising of any specific amount of money. This section does not apply when section 36(2) applies and shall not prevent the township clerk from providing a certification to the county clerk pursuant to section 36(1). If a certification is provided pursuant to section 36(1), the county board of commissioners shall meet and direct or amend its direction for the spread of millages by local units in the county pursuant to the certification.

211.36 Duties of township clerk; tax levy by county board of commissioners; certification of school millage elections; certification of taxes levied for certain purposes; direction for spread of millages; county in which library is located; expenses.

(4) Notwithstanding subsections (2) and (3), and except as otherwise provided in this subsection, the amount of taxes that are to be levied for any purpose by a taxing unit that holds an election in any year on or before the first Tuesday after the first Monday in November and that are approved by the electors of that taxing unit shall be certified for that calendar year. In 1997 only, the amount of taxes that are to be levied for any purpose by a taxing unit that holds an election in any year on or before November 30 and that are approved by the electors of that taxing unit shall be certified for that calendar year.

(5) After a millage is certified pursuant to subsections (2) through (4), the appropriate county board of commissioners shall meet and direct or amend its direction for the spread of millages by local units in the county pursuant to the certification or amended certification. If a millage is certified pursuant to subsection (4) for library purposes, if a taxing unit requests by resolution, the county board of commissioners for the county in which the library is located also may reduce or eliminate the millage previously authorized or dedicated for library purposes to be levied by that taxing unit for that year and direct the reduction or removal of the levy to be spread by the local units in the county.
