**VAR#19-01 - Rolland Township**

Mr. Johnson explained that an application submitted by Dwight Dargitz is requesting a variance for two existing buildings to have side yard setbacks of 8 ft where 20 ft is required for a newly created parcel. The property is on Jerseyville Rd. just between S. Rolland Rd and S. Wyman Rd.

Mr. Johnson stated that Mr. Dargitz has submitted the variance request for a side yard setback reduction for two existing buildings so that he can split the property between the two buildings. Mr. Dargitz is desiring to split the property so that he can sell the larger parcel to his son. Mr. Dargitz points out that these buildings were not constructed by him and have in-fact been on the property for over 50 years.
