To Whom it May Concern,

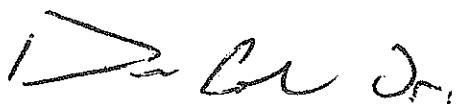

I would like to take the opportunity to explain Mid Michigan Industrial Coatings, LLC. We are an Abrasive Cleaning and Coating facility. We provide indoor abrasive cleaning and coatings to a wide range of customers.

My husband took over his fathers dream after his passing. We have grown to be a one stop shop for our customers abrasive cleaning and coating needs. We provide service to customers with brand new projects and or we bring their old investments into a new in appearance investment.

We have been in Isabella County for years. Our latest shop was located in Weidman. We are excited to relocate to the Rosebush area. Rosebush is centrally located for much of our client base and we feel it is a perfect fit to bring in new business as well.

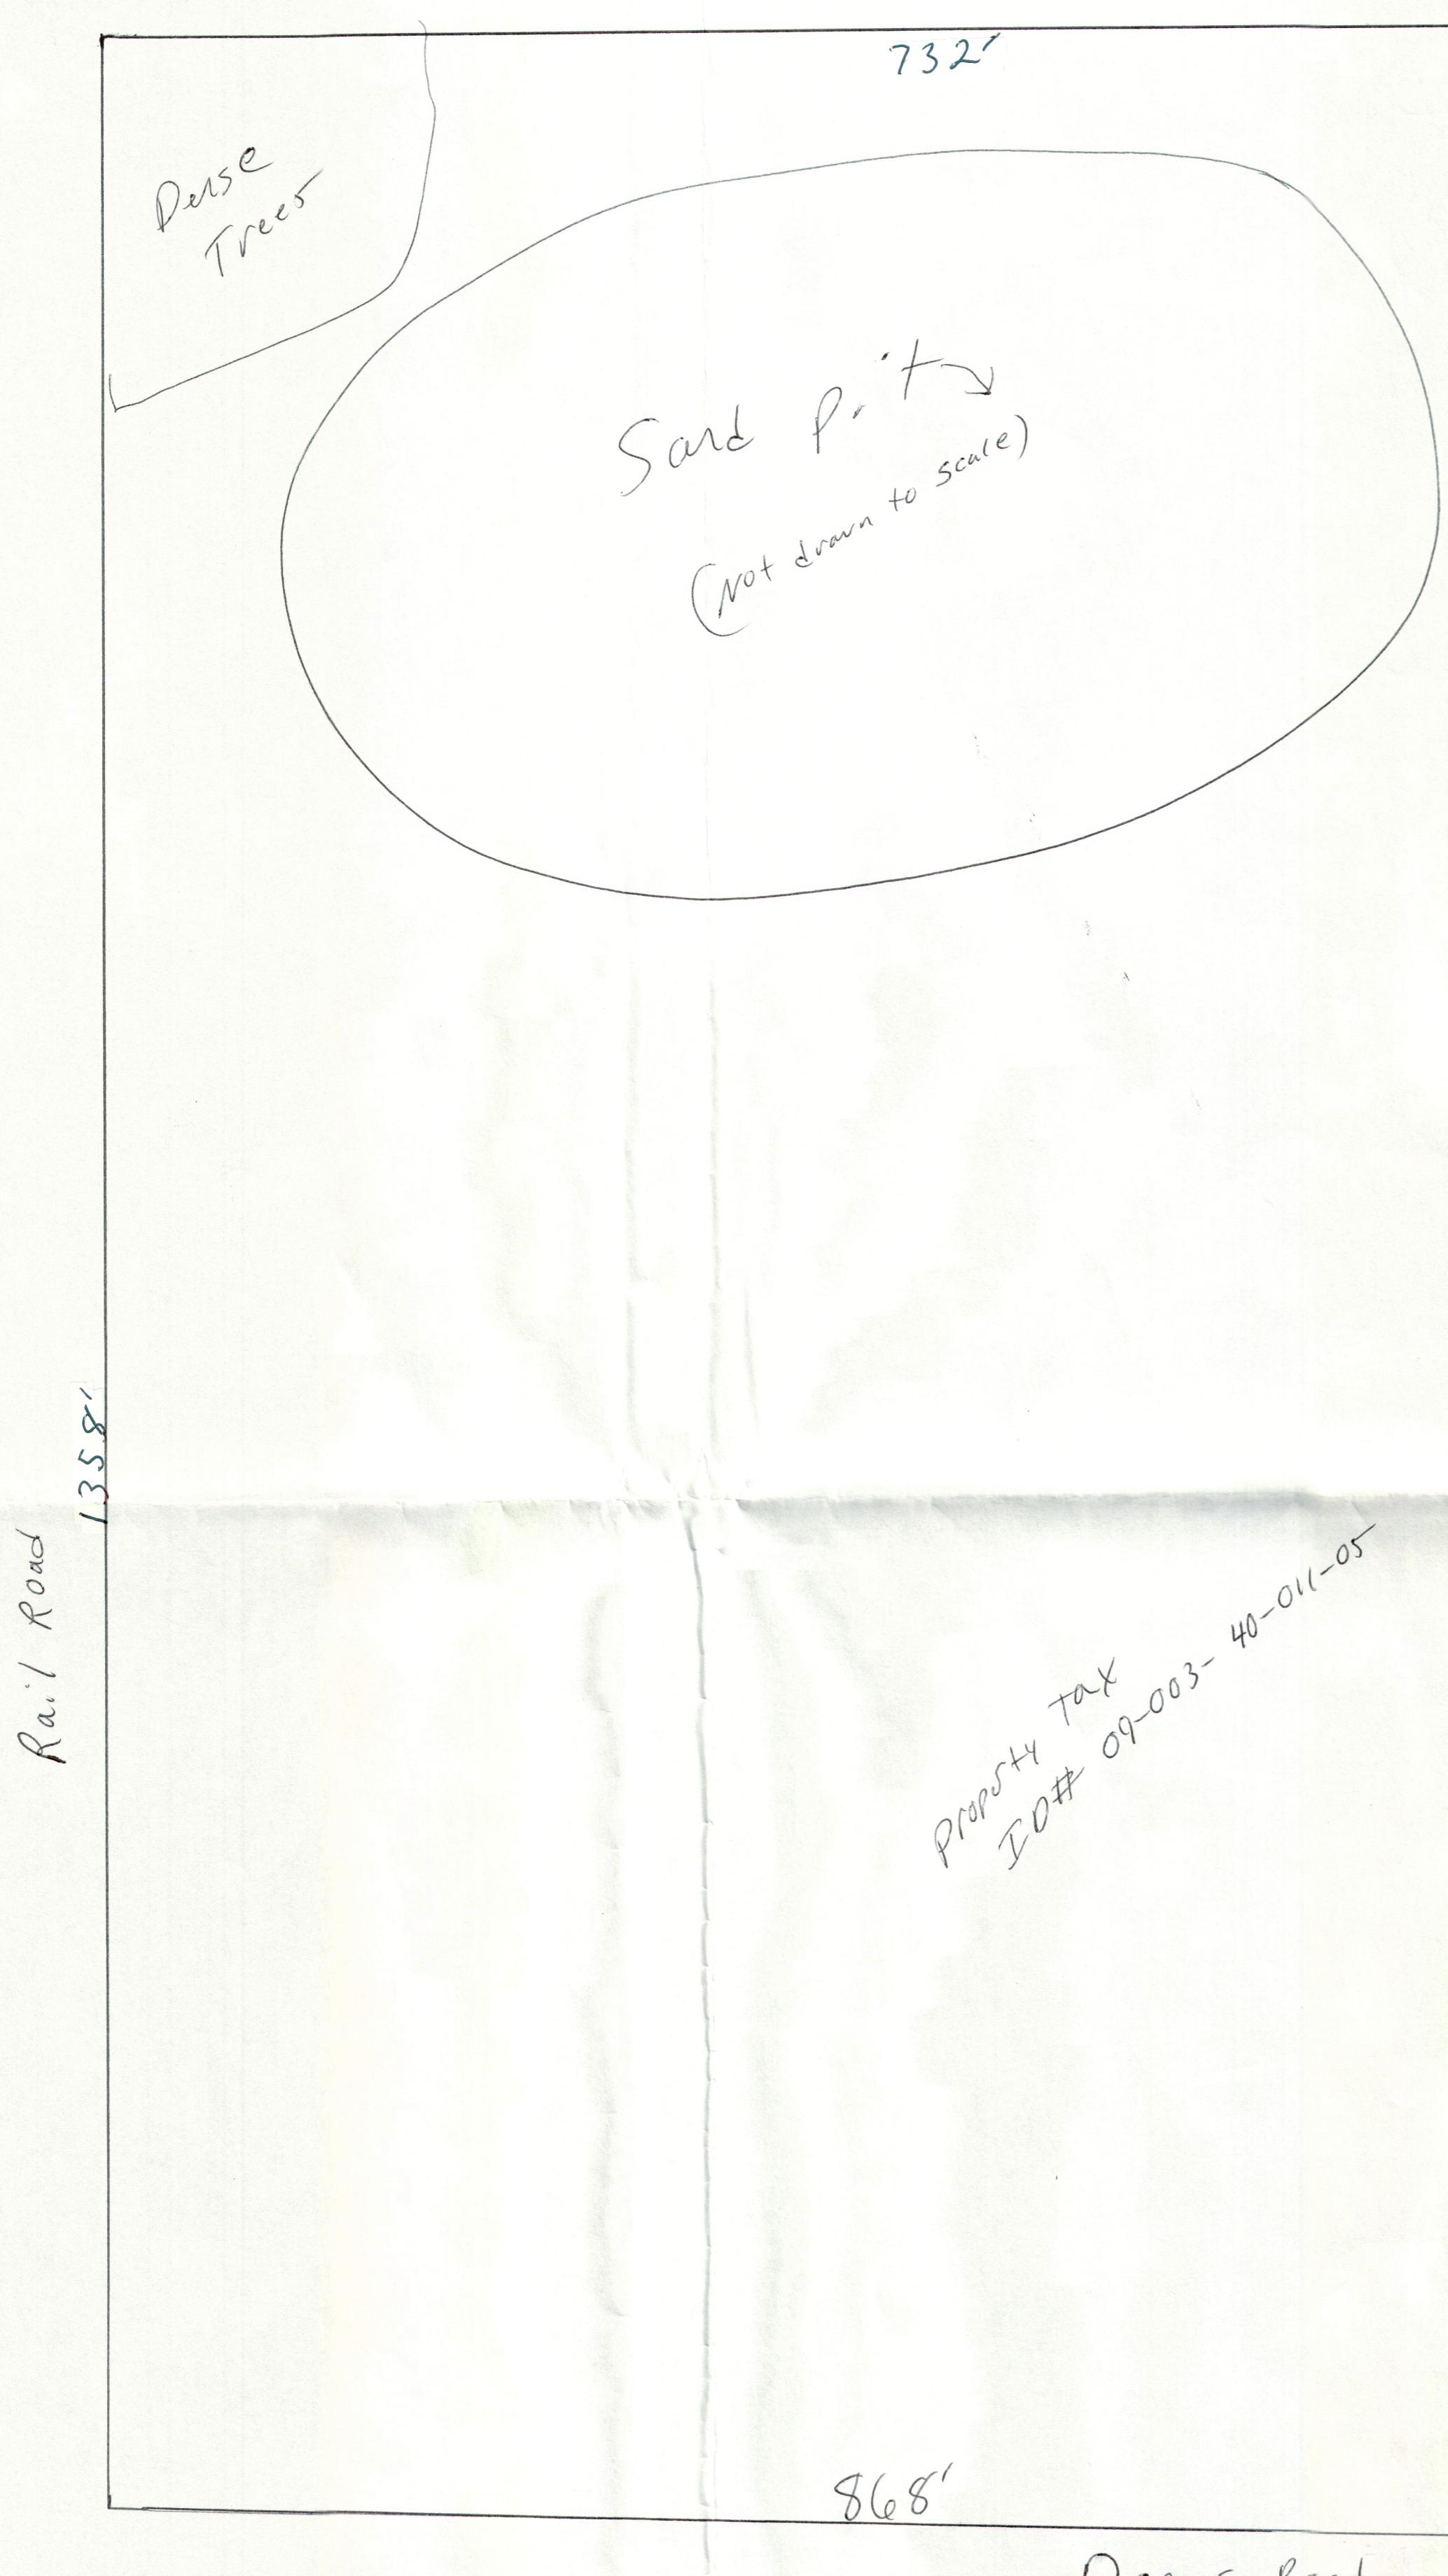

Thank you for your time and consideration in helping us better serve our clients. We look forward to being part of the Rosebush community. If you have any further questions on the service we provide please do not hesitate to contact me at 989.423.7582.

Sincerely,

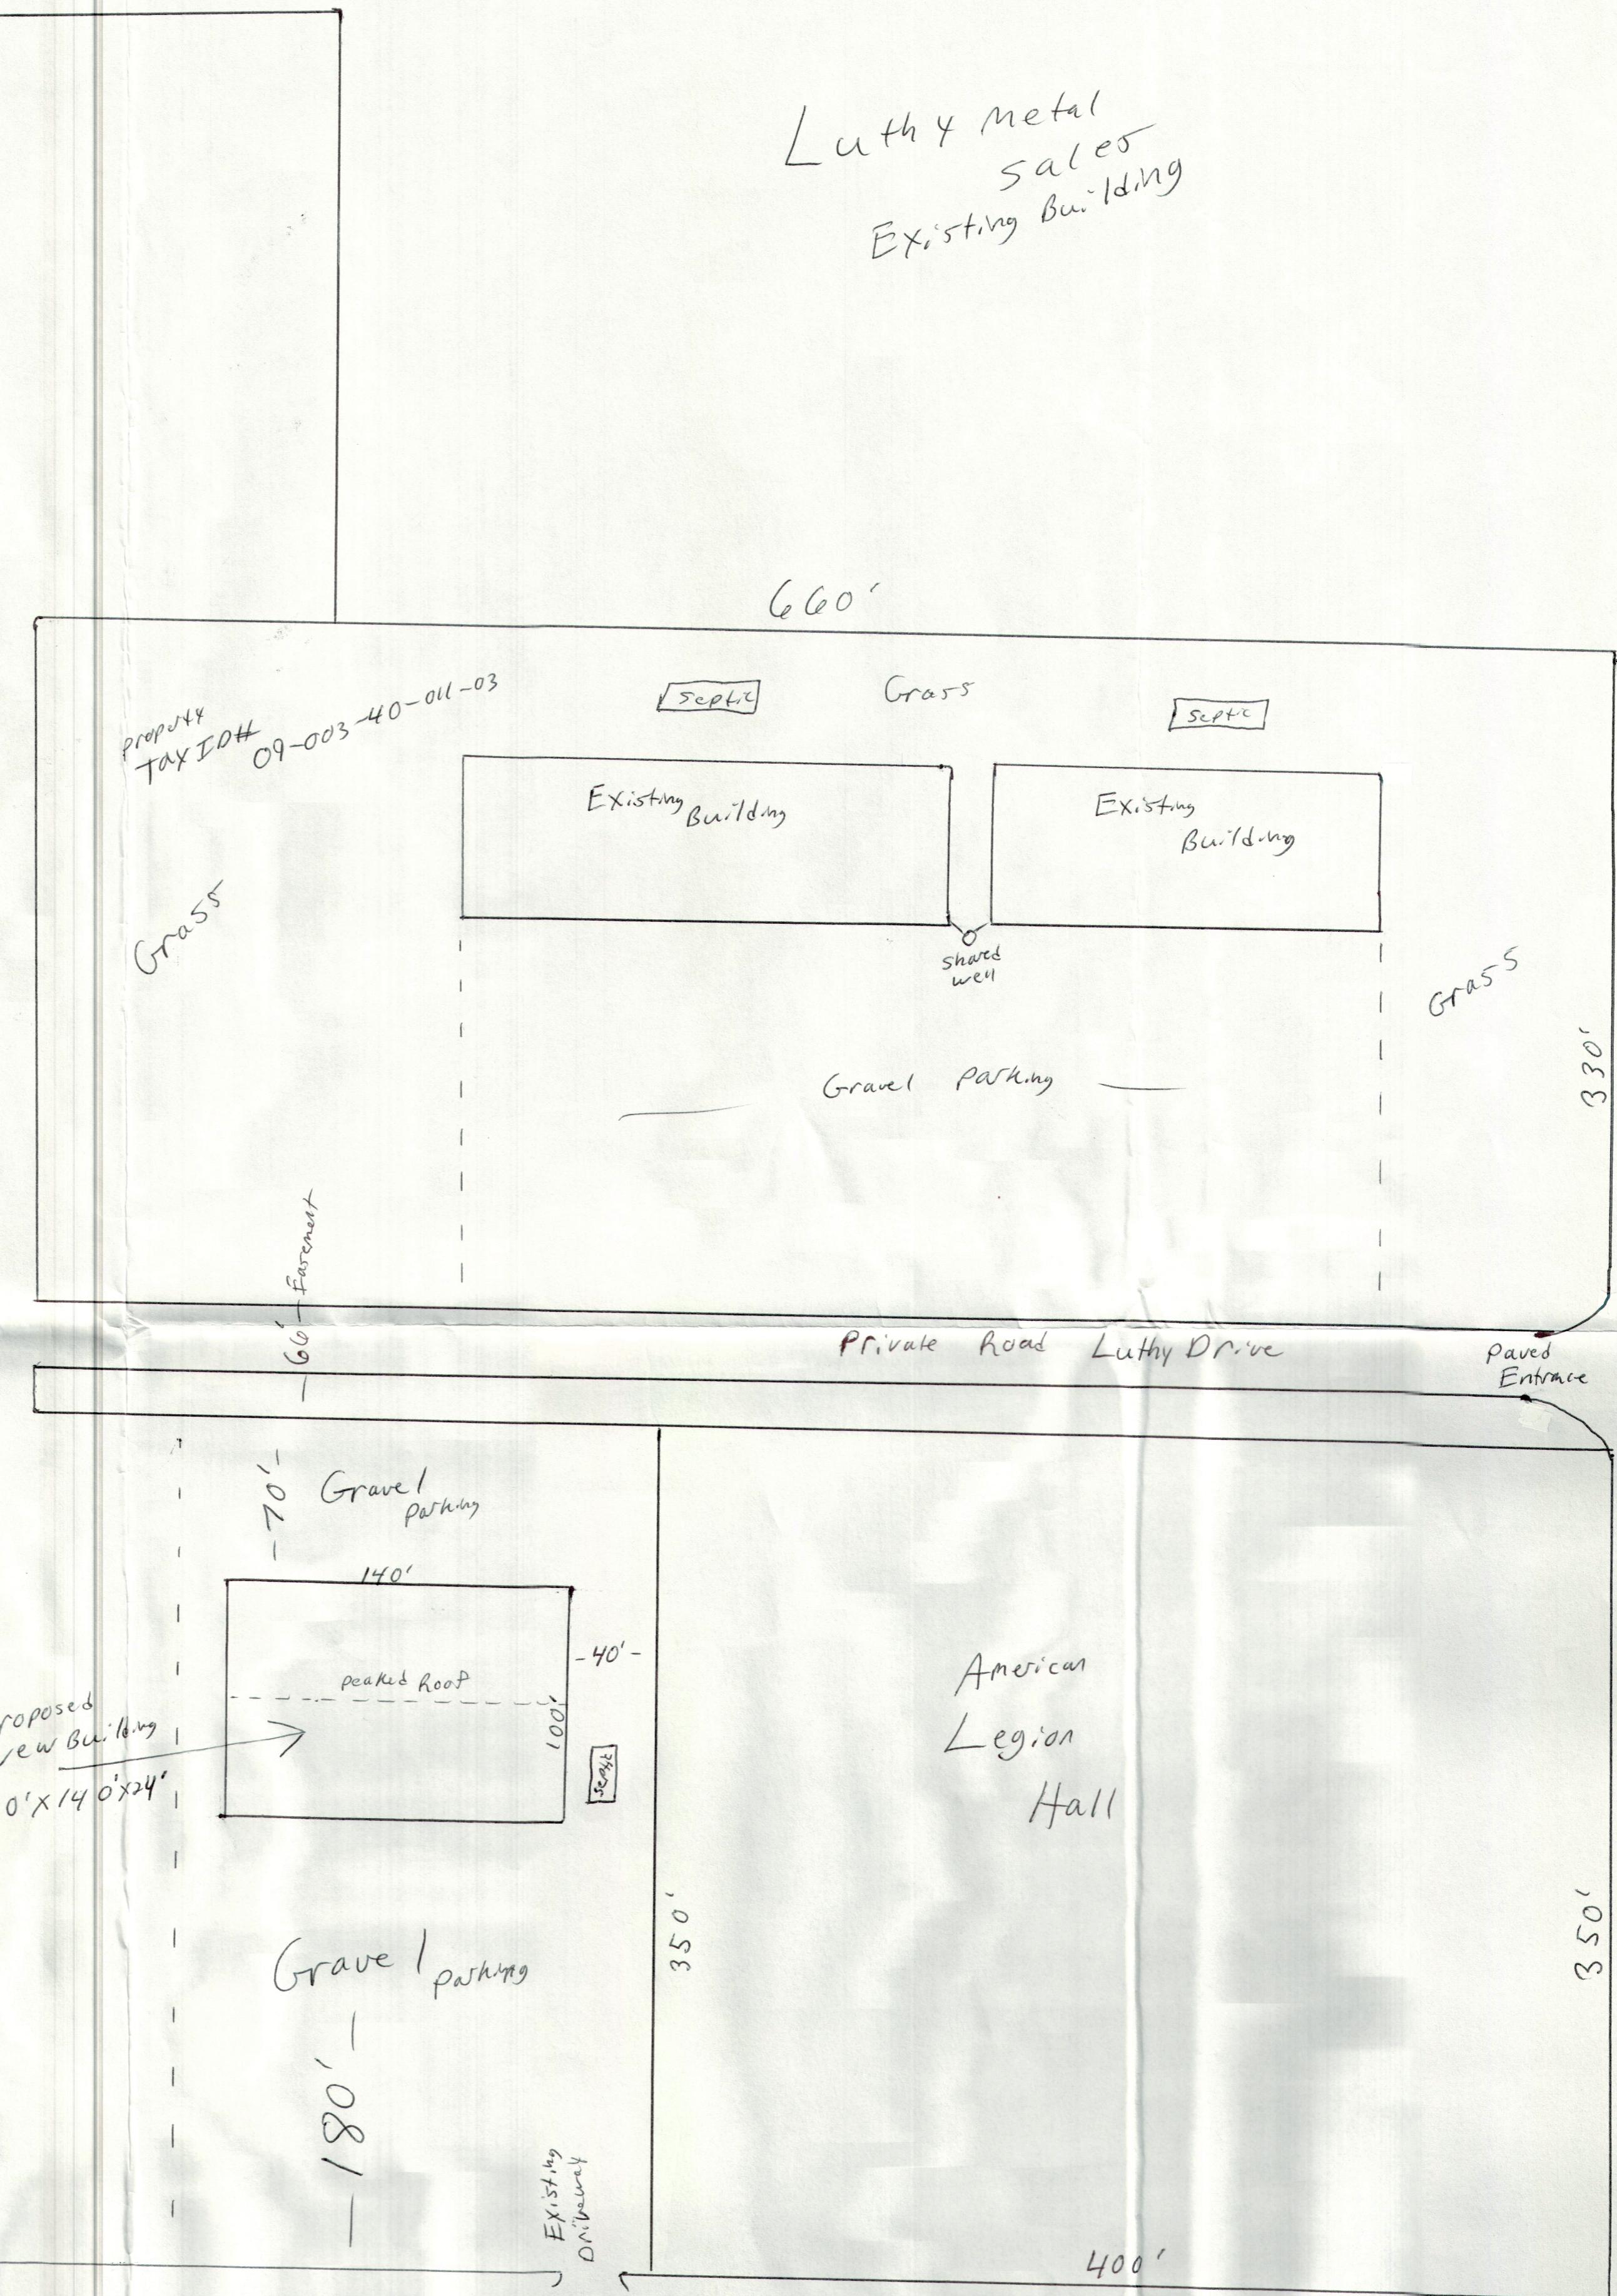

Dennis Collin (Owner)
