Administrative Order 2024 – 1

EXTREME RISK PROTECTION ORDER

In accordance with MCR 3.718(B)(3), the court establishes this Plan of Judicial Availability to make a judge on duty and available each day of the year to immediately review and rule on a verbal request, made by a law enforcement officer, for an immediate emergency ex parte extreme risk protection order under MCR 3.718(B). This plan, once approved by the State Court Administrator, must be provided to all law enforcement agencies within this court's jurisdiction.

IT IS ORDERED:

Isabella County Trial Court Judges will rotate monthly and be on duty each day of the year to immediately review and rule on a verbal ERPO request by law enforcement officers within Isabella County. Duty judges responding to ERPO verbal requests from law enforcement shall be acting on behalf of the circuit court consistent with the Court's Concurrent Jurisdiction Plan dated January 28, 2020 providing that probate and district court judges may exercise the power and jurisdiction of the circuit court as authorized by local administrative order. The rotation of judges will be provided to Isabella County Central Dispatch in a document listing a duty judge for each month of the year who shall be available. Should the need arise to alter which judge is on duty, Isabella County Central Dispatch will be provided an amended duty judge schedule.

Law enforcement can contact the duty judge through Isabella County Central Dispatch, which will have the personal cell phone number for each judge and provide that information to the requesting officer.

If an immediate Order is granted, within 1 business day, petitioner shall file a sworn written petition with the Circuit Court.

Effective Date:

This plan shall take immediate effect upon approval of the State Court Administrative Office.

Date:
