5.0 PLANNING COMMISSION ACTIVITY IN 2023

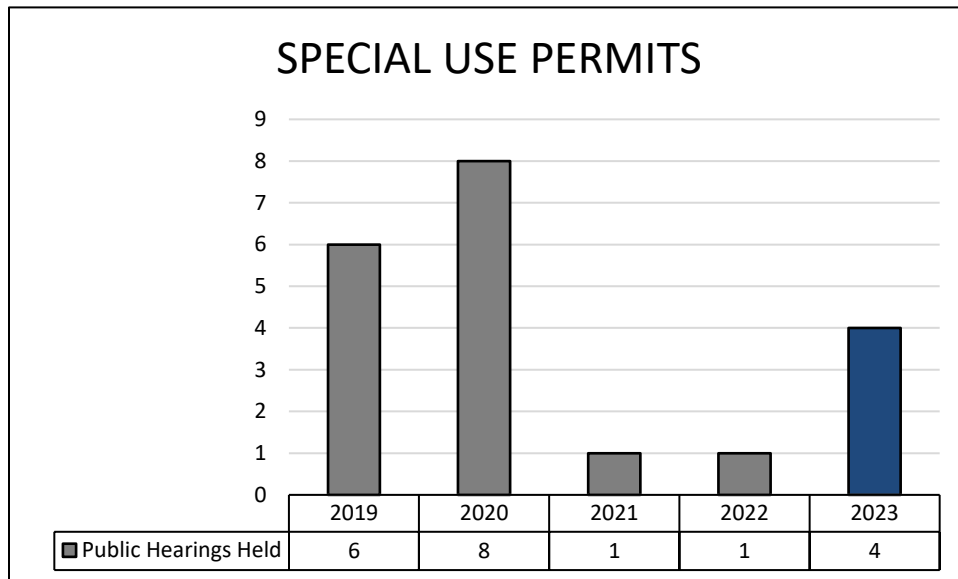

The Planning Commission continued to be active this past year holding in-person meetings. The Commission continuously reviewed the Zoning Ordinance and in doing so, recommended a few changes to the zoning map. This was done with careful consideration to the needs of the community and upholding the integrity of the County Master Plan. The Commission also continued remain active with communications to the Townships. The following is a summary of all activity in 2023:

- 5.1 Site Plan Reviews:** In 2023 a total of nine (9) site plan reviews were performed. All nine (9) site plan review applications were conducted by staff. Site plan reviews conducted by staff included expansions of commercial and industrial businesses. Overall, this was a decrease from 2022 where a total of eleven (11) site plan reviews were performed.

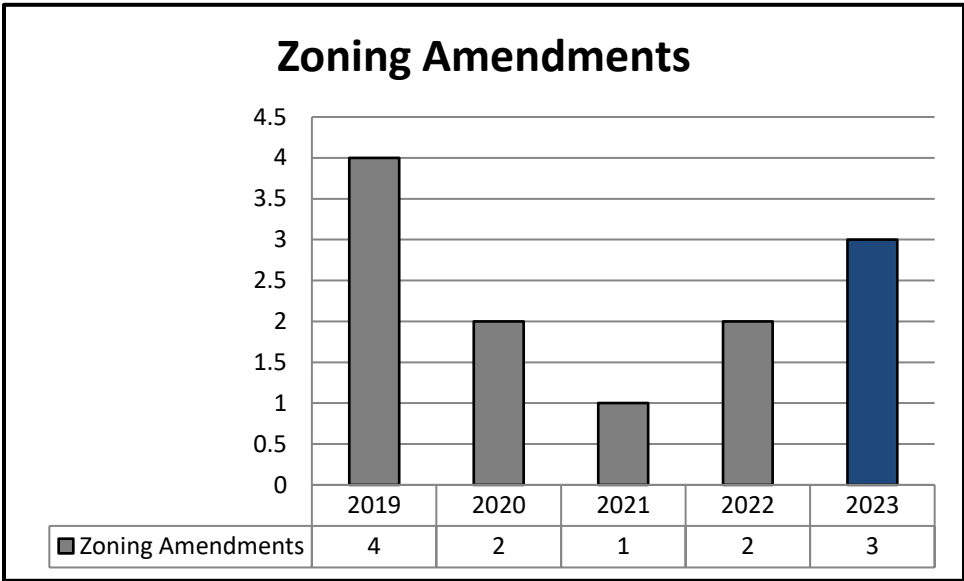

The Commission continues to see the benefit of reducing the overall number of applicants required to appear before the full Commission and expediting the permit process for those applicants.

5.2 Special Use Permits: In 2023 the Commission held four (4) public hearings for Special Land Use Permits. This number also represents the average number of public hearings held each year since 2019 and is a greater number of public hearings than those held in 2021 and 2022. The following is a comparison from 2019 – 2023:

5.3 Zoning Amendments: In 2023 the Planning Commission held three (3) public hearings for Map Amendments. The Planning Commission reviewed and recommended the proposed amendments for approval. Coldwater, Fremont, Lincoln, Rolland and Sherman). The applications represented a total of more than 1,534 acres entering the Farmland and Open Space Preservation Program. This represents a 138% increase in acreage from 2022 when the Commission reviewed seventeen (17) applications totaling 643 acres.

5.7 Additional Activities

In addition to the previously noted activities, the Isabella County Planning Commission reviewed the Parks and Recreation Master Plan for the Village of Shepherd.

Staff issued 141 Zoning Permits in 2023 which is a slight increase from 2022. Though higher than the previous year, the number issued in 2023 is consistent with other previous years. As noted previously, staff also conducted nine (9) site plan reviews as a result of Zoning Amendment #08-08. Staff has reviewed more than 100 zoning complaints throughout the County including activities in Coe Township in which staff provides administrative support via an intergovernmental agreement.

7.0 ZONING BOARD OF APPEALS ACTIVITY IN 2023

The Zoning Board of Appeals (ZBA) heard requests from six (6) applicants for six (6) different variances. This was up from 2022 where the Appeals Board heard four (4) requests for a variance. The ZBA will review their actions early in 2024 and make any appropriate recommendations to the Planning Commission at that time.

8.0 ISABELLA COUNTY ADMINISTRATION BUILDING

In October 2023, the Isabella County Administration Building was abruptly closed until further notice due to environmental conditions within the building. As such, the subsequent Planning Commission meeting in December was held at the Isabella County Commission on Aging Building.

9.0 PLANNING COMMISSION GOALS FOR 2024

- Continually review the Zoning Ordinance and make recommendations to the Board of Commissioners on amendments to the Zoning Ordinance.
- The Planning Commission will continually review the zoning ordinance language regarding solar farms to ensure consistency with current industry standards.
- Maintain the open lines of communication between the Commission and the Townships. This was again ranked as the most important goal of the Master Plan

in the survey conducted with the 2022 update to the Master Plan. The Commission also believes that this is most important to best serve the people of Isabella County.

- *Staff will continue to communicate with Township Supervisors in an effort to maintain a high level of communication.*
- *The Commission will continue to maintain an agenda item for Township concerns for Township representatives in attendance at the Commission meeting.*
