CITY OF MOUNT PLEASANT PROPOSAL

PROPOSED EASEMENT FOR CONSUMERS ENERGY ON CITY PARK PROPERTY AND PROPERTY WITHIN THE CHIPPEWA RIVER CORRIDOR

Shall the City of Mt. Pleasant be authorized, pursuant to Article II, Sections 16(E) and 16(F) of the City Charter, to grant Consumers Energy Company a permanent utility easement for the relocation, construction, operation, and maintenance of low-voltage and high-voltage electric lines and associated equipment sharing a single line of poles along the north right of way of West Broadway Avenue, with vegetation management rights extending approximately 80 feet into the southern portions of Nelson Park and Riverside Cemetery and 40 feet into the northern portion of Mill Pond Park?

VILLAGE OF LAKE ISABELLA PROPOSAL

PUBLIC SAFETY MILLAGE PROPOSAL

Shall the total tax rate limitation on general ad valorem taxes in the Village of Lake Isabella be increased by up to 0.40 mills (\$0.40 per \$1,000 of taxable value) for the purposes of providing funds for law enforcement, police protection, road patrol, ordinance enforcement, animal control enforcement, and related public safety services within the Village, and shall the Village be authorized to levy this new additional millage annually for four (4) years, 2027 through 2030, inclusive, thereby raising an estimated \$49,529 in the first year of the levy?

UNOFFICIAL CANDIDATE LIST

11/03/2026 - STATE GENERAL ISABELLA (37)

VILLAGE OF SHEPHERD PROPOSAL

OPERATING MILLAGE RESTORATION PROPOSAL

Shall the Village of Shepherd, Isabella County, Michigan, be authorized to levy a tax of up to 1.3632 mills (\$1.3632 per \$1,000 of taxable value) for general operating purposes, to restore the Village's authorized operating millage rate, which has been reduced by the Headlee Amendment from 12.5000 mills to 11.1368 mills?

If approved, this millage will restore the Village's authorized general operating millage rate to 12.5000 mills and permit the Village to levy up to that rate for four (4) years, subject to any further Headlee reductions.

It is estimated that the 1.3632 mills would raise approximately \$56,847.00 in the first year it is levied.

SHEPHERD PUBLIC SCHOOLS PROPOSAL

SHEPHERD PUBLIC SCHOOLS BOND PROPOSAL

Shall Shepherd Public Schools, Isabella, Gratiot, and Midland Counties, Michigan, borrow the sum of not to exceed Fourteen Million Nine Hundred Thousand Dollars (\$14,900,000) and issue its general obligation unlimited tax bonds therefor, in one or more series, for the purpose of:

remodeling and equipping school buildings, including roofing and HVAC systems; and preparing, developing, improving and equipping the elementary school playground and site?

SAINT LOUIS PUBLIC SCHOOLS PROPOSAL

Saint Louis Public Schools
Operating Millage Proposal

This proposal will allow the school district to levy the statutory rate of not to exceed 18 mills on all property, except principal residence and other property exempted by law, required for the school district to receive its revenue per pupil foundation allowance.

Shall the limitation on the amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, in Saint Louis Public Schools, Gratiot, Midland and Isabella Counties, Michigan, be increased by 3 mills (\$3.00 on each \$1,000 of taxable valuation) for a period of 7 years, 2026 to 2032, inclusive, to provide funds for operating purposes; the estimate of the revenue the school district will collect if the millage is approved and 1.3086 mills are levied in 2026 is approximately \$110,732.87 (this millage is to restore millage lost as a result of the reduction required by the Michigan Constitution of 1963 and will be levied only to the extent necessary to restore that reduction)?

UNOFFICIAL CANDIDATE LIST

11/03/2026 - STATE GENERAL
ISABELLA (37)

MID-MICHIGAN COLLEGE PROPOSAL

MID MICHIGAN COLLEGE CHARTER MILLAGE PROPOSAL

This proposal would restore Mid Michigan College's original millage, which has been reduced by the Headlee Amendment, and allow the college to levy on all taxable property the millage previously approved by the voters of the community college district.

Shall the limitation on the total amount of taxes which may be assessed against all taxable property within the community college district of Mid Michigan College, Michigan, be increased by 0.2929 mill (\$0.2929 on each \$1,000 of taxable value) in perpetuity to provide funds for all authorized charter millage purposes specified within the power of the college's board of trustees; the estimate of the revenue the college will collect if the millage is approved and levied in 2027 is approximately \$1,307,848 from the local taxes authorized in this proposal?
